PROPERTY DETAILS

Located just East of Creal Springs with good access on frontage along Route 166. Tract has some amazing giant solid rock bluffs and numerous rock formations that simply have to be seen to fully appreciate. Great place to build, although not presently hooked up, tract has rural water and electric available near property. Tract has an extremely wide range of elevation and landscape variations, some large timber, some very productive soil types for food plots, rock bottom creek supplying water for wildlife, bedding areas for wildlife and solid rock bluffs with interesting fossils. We walked up on several deer while visiting property and saw turkeys just East of property. Property includes a camper. Pin # 11 25 400 011 / 32.02 acres. Taxes \$13.76. Approximately 9 miles East of Interstate 57 and 24, 13 miles SE Marion, 6 miles East of Lake of Egypt
