Looking for a recreational property that has it all? Here it is! Located just outside of Mt. Vernon, Illinois. This property features approximately 20 acres of newly fenced pasture, a 3 acre, 18 ft deep pond, dug last year located in the north section of the property, a food plot area just south of the pond, and nice trails and thick timber throughout with lots of evidence of wildlife on this property. Electric and water are already installed on the property along with a livestock corral.
