Wooded Hunt Property

40.88 acres all wooded tract just East of Sparta. Gently rolling and a diagonal cut across it that was at one time a power line right-of-way. Good canopy and not much undergrowth. Offers great hunting and lays at the end of a dead-end road.

Cropland to the South and wooded on 3 sides. There is a road along the East side of the property that is rocky and is also an easement for landowners to the East side of the property to access their properties which are wooded hunting properties.

There has been plenty of quality bucks in the area. The White-tail pictures here were taken a couple years ago. At that time this was a 160-acre tract; 120 acres has been sold off and the cameras were on the part sold off so the pictures were from less than a 1/4 mile from this 40. Gated and shown by appointment only.

1.5 hours to St. Louis, 1 hour to Fairview Heights, 1.5 hours to Mt. Vernon, 1.5 hours to Cape Girardeau and 2 hours to Paducah KY.
