Location: Property lays along South Street at the NW edge of Muddy, IL, north of Harrisburg, IL.

66 wooded and wetland acres north of Harrisburg and west of Muddy, Illinois. Access will be by a 30' wooded roadway into the property. It will be surveyed by the Seller and final bid will be adjusted to reflect surveyed acreage. The property to the north and part of the east and west sides are wooded with cropland on the NE, NW and SE sides. You can see by the trails and creek crossings this is a whitetail high traffic area. The wetland area provides cover, again lots of trails heading in and out of this area. At times this wetland area will provide cover for ducks.
