

MISSOURI DEPARTMENT OF NATURAL RESOURCES
HAZARDOUS WASTE PROGRAM
FORMER MINUTEMAN MISSILE SITE PROPERTY CHANGE REQUEST

GENERAL INSTRUCTIONS

The Quitclaim deeds through which owners of Former Minuteman Missile Sites purchased these properties from the United States General Services Program contain restrictions and covenants to protect current and future landowners from buried contaminants. The following activities are prohibited without prior approval by either the Missouri Department of Natural Resources or the U.S. Environmental Protection Agency:

- Installation of water wells.
- Ground disturbance below two feet.
- Disturbance of the drainage characteristics.

If alterations or improvements to the property that will disturb the ground surface are planned, you must first request approval from the Missouri Department of Natural Resources or EPA. After receiving and reviewing this form, the department will notify applicant if the property change request is approved or denied. Complete and return this form to:

Missouri Department of Natural Resources
P.O. Box 176
Jefferson City, MO 65102

or e-mail to hazwaste@dnr.mo.gov.

GENERAL INFORMATION

NAME		DATE
ADDRESS		
CITY	STATE	ZIP CODE
TELEPHONE NUMBER WITH AREA CODE	ALTERNATE TELEPHONE NUMBER WITH AREA CODE	
MINUTEMAN MISSILE SITE NAME (EXAMPLE: N-01)		

PROPERTY CHANGE DESCRIPTION

1. General description of the work or change of land use you propose:

2. Do you intend to drill a well on the property? Yes No

3. Do you plan to remove or alter any of the physical structures or aboveground features remaining from the time period when the property was used as a missile silo or launch facility? Yes No
If yes, please explain your proposed changes in detail:

4. Do you plan to re-grade any portion of the property? Yes No

If yes, please provide a description of your proposed activities:

5. Do you plan to trench, excavate, plow or dig below ground surface in any fashion on the property? Yes No

If so, describe in detail the location(s) and depth(s) of the proposed excavation.

6. Site Sketch

Use this area to sketch the site layout and indicate areas of proposed work. The drawing need not be to scale, but should provide good detail of site boundaries, landmarks and structures and should be legible.

The department can provide a site diagram for any Former Minuteman Missile Site. To request a site diagram, contact the department's Former Minuteman Missile Sites project manager at 573-751-3907.
