### PROPERTY DETAILS (2709L)

Address: 7427 Dial Road, Thompsonville IL 62890  
List Price: \$21,500

Great little country setting consisting of 5 acres with cabin, small shop and barn. Property is set back off county road just enough to provide a secluded park-like setting. The original cabin was built in 1880's and later had a couple rooms added. The well water is used only for bath and kitchen use; drinking water is brought in. However, city water is at the road and can be connected. This property would be quite suited to use as-is for a hunting cabin or weekend get-a-way. Also, it's a nice location to build a new house. Owner's family have consistently harvested deer from the property each year.

If you are looking for affordable property with a peaceful country atmosphere, room for horses, large garden and small get-a-way cabin, this maybe what you've been waiting for.
